**REQUEST FOR CERTIFICATE OF CORRECTION
FOR PATENT OFFICE MISTAKE (37 C.F.R. § 1.322)**

The Applicants respectfully request that the U.S. Patent Office issue a Certificate of Correction as set forth in attached PTO-SB-44 and described below. Attached in duplicate is Form PTO-SB-44 with at least one copy being suitable for printing. The changes shown in the Certificate of Correction are clerical in nature and therefore do not constitute new matter or require reexamination. The errors outlined in the Certificate of Correction are a result of a Patent Office mistake.

Certificate

of Correction

APR 05 2007

Specifically, the title of the patent as issued and recited in Section 54 is incorrect. The title of the patent is "Method and System for Providing a User with Personalized Recommendations by Electronic-Mail Based on Determined Interests of the User Pertaining to a Theme or Concept of a Categorized Document" and *not* "Method and System Providing User with Personalized Recommendations by Electronic-Mail Based Upon The Determined Interests of the User Pertain to the Theme and Concepts of the Categorized Document."

As the error occurred as the result of a Patent Office mistake, the Applicants believe no fee is due. Specifically, the Patent Office (on November 7, 2007) approved an amendment submitted under Rule 312 that sought to enter the aforementioned correction to the title. That amendment was approved by the Patent Office but not entered as is reflected by the face of the issued patent.

Respectfully submitted,
Jonathan Oliver et al.
